DANCE – VISUAL ART

Compagnia Tiziana Arnaboldi

Surreal intuitive gestures

In collaboration with the Ascona Museo Comunale d'Arte Moderna
As part of the Joana Vasconcelos exhibition

My creativity runs fast, on the wings of everyday life

Joana Vasconcelos

Dance and visual arts show inspired by the works of Joana Vasconcelos. Joana Vasconcelos' artworks are exploded sculptures, based on an instant. The Portuguese artist boasts countless high-level participations, including that at the Venice Biennale (2013). The cheerful and uncontainable monumentality of her sculptures cannot be fully captured with words. Thus, dancing bodies transport us into her creative world, depicting free, fresh and intuitive tracks in space, based on immediacy. Strokes of a surreal nature.

Tiziana Arnaboldi (choreographer-dancer)

Tiziana Arnaboldi's creations have been acclaimed in Switzerland, Italy, France, Germany, Portugal, Spain and Africa. Her company has been the resident company at Teatro San Materno in Ascona since October 2009. She develops international project platforms and artistic events inspired by this Bauhaus-style venue, unique in Europe.

She has received numerous accolades, including the 2018 Swiss Dance Heritage Award from the Federal Office of Culture for the production *Danza e Mistero*, a tribute to the sacred dancer Charlotte Bara.
