Cops & Robbers

Game and sport

Contemporary Theatre by and with Enrico Ferretti and Faustino Blanchut
Freely adapted from Enrico Ferretti's essay "Educazione in gioco" (Casagrande 2016)

Lighting Christoph Siegenthaler
Production Compagnia Tiziana Arnaboldi

The play takes place on the day of the birthday of the two main characters, who celebrate the anniversary on the same day, only a few hours, but several years, apart. Both have had the opportunity to fully explore the world of games and sport, and enter deeply into the heart of physical and sporting activities, ruthlessly showing the comic, adventurous, dramatic, spectacular, aggressive, hypocritical and disturbing aspects.

When it's time for the cake, there is an unexpected finale.

Afterwards, a meeting on the values and disvalues of games and sport in the context of an ever more competitive society will follow.
