Body and voice in exploration

in collaboration with the Lausanne company Junior Marchepied

Young dancers of the Junior Marchepied Company together with the vocal group "Le vie dei canti" follow a path of exploration to enjoy the beauty of making "resonate" body-voices-spaces. Each place acquires a multifunctionality: physical and sensitive spaces chase each other embracing reality and imagination.

Dancers: Brice Arside, Yann Dorsaz, Alice Gratet et Ju-Chen Chi

Voices: Sonia Picoco (mezzo soprano), Nicoletta Peduzzi (contralto), Mario Moi (tenore, conduzione e arrangiamenti), Giorgio Miotto (basso)

The Junior Marchepied Company was born from the dancers and choreographers Corinne et Nicholas Pettit Rochet, based in Lausanne. For 9 months young dancers who have just graduated and are looking for their first job in the professional world of dance have the opportunity to join together to continue working daily with international choreographers.
