SAN MATERNO ASCONA

2-6 July - at Dawn and Dusk

Roof terrace of Hotel Monte Verità, Ascona
In collaboration with Fondazione Monte Verità

From Earth to Light

with Compagnia Tiziana Arnaboldi

Searching for a free dance, everyone with their own human nature. From earth to light, from dusk to dawn, giving rise to actions, memories and emotions, as the driving force within a Bauhaus atmosphere.

Six dance shows proposed in collaboration with the Company Tiziana Arnaboldi, proposed for the first time on the terrace on the roof of the hotel Monte Verità.

Choreography and direction Tiziana Arnaboldi

Dancers: Marta Ciappina, Eleonora Chiocchini, Pierre-Yves Diacon, Maxime Freixas, David Labanca

Tiziana Arnaboldi

Director of the company bearing the same name, she is the author of some forty artistic creations which have received wonderful responses from audiences and critics in festivals held in major cities in Europe and Africa. From October 2009, the company Tiziana Arnaboldi has had its residence at Teatro San Materno in Ascona – being entrusted with its management since 2015 – where it creates platforms for international projects inspired by the place itself. From 2014 it opened a space dedicated to research and dialogue between dance and other artistic languages. It creates platforms for international projects and art events inspired by the space, rich in art and history. From 2015, international artists of different fields have come together with the dancers from Compagnia Tiziana Arnaboldi, for residences at Teatro San Materno, giving birth to unique performances under the name: "Dialogue between the arts." These shows are also hosted in other places and spaces in search of new artistic versatility.
