Building Bridges - The Magic of Diversity (a Centro Incontri Umani project)

Programme curated by Johannes Rühl

In Ascona, under Monte Verità, sits the Centro Incontri Umani. Every year, in October, a group of musicians meet for an intensive work session. They come from different musical cultures, with no previous relationships and having never met before. It's a unique moment of mutual knowledge, charming and moving in equal measure, both for the musicians as well as their audience.
