A New Creation by Compagnia Tiziana Arnaboldi

AUTOUR DU CORPS - A Bauhaus Tribute

A cosmic journey, where everything revolves around a pulsating and breathing body dressed with nine concentric circles. An aerial outline and a heavy encumbrance; a call aimed at both the cosmos and the earth. Inside and outside the circles, the orbits are drawn by hard power and grace, both as reflection and contrast. This skirt invites you on a dreamlike and hypnotic journey, which tells of shapes, bodies, balance and imbalance, in addition to heaviness and breath, an allegory for our human condition.
