## Building Bridges The Magic of Diversity in Music (a project of the Centro Incontri Umani, Ascona)

Programme curated by Johannes Rühl

In Ascona, under Monte Verità, sits the Centro Incontri Umani. Every year in autumn we meet musicians from different cultures of the world in search of a common musical language. They come from different musical cultures, with no previous relationships and having never met before. It's a unique moment of mutual knowledge, charming and moving in equal measure, both for the musicians as well as their audience.
